## **Dr. Fixit Institute of Structural Protection and Rehabilitation (DFI-SPR)**

Dr. Fixit Institute of Structural Protection and Rehabilitation (DFI - SPR), a not-for-profit knowledge center, was registered as a stand-alone organization in June 2006 under the promotional umbrella of Pidilite Industries Limited. The activities of the institute are overseen by a governing Council Comprising eminent professionals and technocrats from the field of construction engineering, research and management. Over the last 8 years DFI-SPR conducted more than 200 training programmes at various centers, with over 5000 participants.

### **VISION**

To become a premier national knowledge and skill development centre for capacity enhancement in waterproofing and other areas of repair, restoration and renewal engineering based on sustainable and green technologies.

### **MISSION**

To act as a platform of national and international networking for sharing of knowledge and practices in the fields of waterproofing, repairs, restoration, and renewal engineering in the context of life cycle assessment of the built environment for adoption of best practices by the country's construction industry.

### **INTRODUCTION**

Built environment normally has to undergo a substantial repair and maintenance, although this will depend on the extent of decay suffered by the individual building. If properly maintained however, buildings should survive for the enjoyment of many generations. This Programme is designed to provide adequate skills and expertise required to deal with all the important aspects of concrete technology, waterproofing, repair, restoration, renewal and building maintenance management.

### **DURATION**

The Programme duration is 12 months. Extension of the duration for completion of studies is not allowed.

### **PROGRAMME DESIGN**

This one year involves 2 Modules, 2 Assignments and 2 Term end Examinations.

### **STUDY MATERIALS**

The study material for a Programme typically comprises the following :

- Lesson Book
- Assignments

### **EXAMINATIONS**

Written Examinations of the programme will be held at the end of September 2016. Certificate will be issued to successful candidates only.
